## ABOUT THE REFUGEE BALL

**FRIDAY 1 NOVEMBER 2019 - HYATT REGENCY SYDNEY**

The STARTTS Refugee Ball has established itself over the past eleven years as a key event in the social calendar of the community services sector. The Ball is held every year to raise vital funds for and awareness of the work that STARTTS does to assist people who have survived torture and trauma. Without the funds raised at the Refugee Ball, STARTTS could not provide the range of programs and services that it does to the community.

We hope you will join us in celebrating another year of this amazing event that has contributed to so many programs assisting refugees.

Visit **[www.refugeeball.org.au](http://www.refugeeball.org.au)** for more information.

## ABOUT STARTTS

### OUR MISSION

To develop and implement ways to facilitate the healing process of survivors of torture and refugee trauma and to assist and resource individuals and organisations who work with them to provide appropriate, effective and culturally sensitive services.

The NSW Service for the Treatment and Rehabilitation of Torture and Trauma Survivors, or STARTTS, helps refugees who were forced to leave their country due to persecution in the context of political conflict, organised violence and human rights violations. We help them build a new life in Australia by providing culturally appropriate and cutting edge treatment to heal their psychological, emotional and social scars. STARTTS offers a range of specialised interventions, including counselling, group therapy, programs for children and young people, physiotherapy and community projects. Over the past 31 years we have provided clinical and community development services to over 70,000 individuals.

Visit [www.startts.org.au](http://www.startts.org.au) for more information.

## SUPPORT LIFE AFTER TORTURE

This year, funds raised at the Refugee Ball will locally support the Multicultural Futsal Series (M-Series) and also go towards priority areas of the International Rehabilitation Council for Torture Victims (IRCT).

### About the M-Series

The M-Series key objective is to provide a platform for newly arrived migrants, their families and communities to build social capital through participating in futsal and football-oriented activities and competitions.

Read about the M-Series launch on Harmony Day 2019 at [www.startts.org.au/blog/](http://www.startts.org.au/blog/)

### About IRCT

The IRCT operates to ensure that torture and refugee trauma rehabilitation services globally are able to continue to provide vital medical, psychological and social services. Thousands of survivors, including refugees, torture victims, and others fleeing conflict rely on these centres to relieve their pain and guide their recovery.

STARTTS' close connection to the refugee, migrant and multicultural community is well-established. With 31 years of service we have developed close contacts with community leaders from across the spectrum. Many of these leaders – and also members of their communities attend the Ball every year.

Guests at the Ball include community leaders from newly arrived and established refugee communities and diasporas, politicians from all levels of government, major players in the settlement, multicultural, health, education and human rights sectors, members of the private sector and legal community, as well as volunteers, staff and supporters of the refugee cause from across the state.
